There is more Catarrh in this section of the
country than all other diseases put together, and
until the last few years was supposed to be incur-
able. For a great many years doctors pronounced
it a local disease and prescribed local remedies,
and by constantly failing to cure with local treat-
ment, pronounced it incurable. Science has
proven catarrh to be a constitutional disease and
therefore requires constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J. Cheney &
Co., Toledo, O., is the only constitutional cure on
the market. It is taken internally in doses from
10 drops to a teaspoonful. It acts directly on the
blood and mucous surfaces of the system. They
offer one hundred dollars for any case it fails to
cure. Send for circulars and testimonials. Ad-
dress, F. J. CHENEY & CO., Toledo, O.

"GLORIOUS FOURTH"

At Maysville Safe, Sane and Sensi-
bly Observed—Rain. A Big
Crowd and Enjoyable
Boat Races

The Fourth of July in Maysville was almost
a repetition of last year—the rain was here
as usual and the crowd, though not quite as
large, was plenty big enough to satisfy the
most exacting.

It may be termed by many as having been a
safe, sane and orderly Fourth, as there were
no unusual and disagreeable occurrences to
mar the festivities of the day.

However, if the display of Old Glory floating
in the breeze is included with a sane and safe
Fourth, the battle-scarred and blood-baptized
Flag was certainly conspicuous on the Nation's
birthday anniversary for its absence. With a
few notable exceptions the Flag was not seen
decorating stores and dwelling houses, as was
the custom in days gone by. The river pageant,
however, judging from the display of the hunt-
ing, had in mind the day as well as the grand,
exhilarating sport.

The following is the result of the regatta—
First race—Idlewild Junior, winner. Idle-
wild III., only contestant, broke down.

Second race—Uncle Pete, first; Hobo, sec-
ond; Nip, third; Just Rite, fourth.

Third race—Hazel M., first; Pirate, second;
Doctor B., third; Ty Cobb, Go Sloe, Kenneth.

Fourth race—Elk, first; Ruth, second; Prin-
cess, third.

Fifth race—Maysville boats only.

Special mention might be made that Doctor
B lost fully one minute in third race by being
compelled to slow down and turn from course
on account of ferryboat. In this race Ty
Cobb disqualified on account of not passing
between stake and judge's boat.

MAYSVILLE, KY.

Mr. Edwin C. Tolman and Mr. L. C. O'Neil of Augusta were taking in the sights here yesterday.

Mr. John Dawson was one of the Newport contingent attending the boat races here yesterday.

Bellevue, Ky., was represented at the regatta races here yesterday by the following delegation: Captain Thomas Jackson, Messrs. Walter J. Nagel, Walter Eilers, Maurice Weber, James Dye, L. Aylor and N. J. Riley.

SUNDAY MORNING SHOOTING.

Sunday morning between 2 o'clock and daylight a triangular fight between Charles Hoops and the Holland brothers, George and Charles, took place near McDaniel & Co.'s coal yard in front street, Fifth Ward, in which the former used a shotgun with telling effect, perforating the anatomy of Charles Holland from the hips down. Hoops is the engineer at McDaniel & Co.'s elevators in the Fifth Ward and was in line of duty, so heavers, and is borne out in his statement by employees of the company, when assaulted by the Hollands, and shot in defense of his person, and then only to wound and not which is right the Court will determine. to kill. Of course, there are two sides to it and Charles Holland, the wounded man, was removed to the home of his brother in Lexington street, where he received medical attention. Hoops surrendered Monday morning to Magistrate L. T. Gaebke, who held him in the sum of \$200 for his appearance. Bond was furnished by McDaniel & Co.

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

BADLY HURT.

William Jackson, aged 30, whose home is in the Tuckahoe neighborhood, was found Saturday night lying alongside the C. and O. track near Broshere. He was picked up by passenger train No. 4 and brought to this city. It is said he was beating his way on a freight to this point, and whether he fell off—as he was intoxicated when found—or was summarily kicked off by other hobo companions is a matter of conjecture.

Despair and Despondency

No one but a woman can tell the story of the suffering, the despair, and the despondency endured by women who carry a daily burden of ill-health and pain because of disorders and derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured completely upset the nerves if long continued. Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG,
SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as "just as good."

It is non-secret, non-alcoholic and has a record of forty years of cures. Ask your neighbors. They probably know of some of its many cures. If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

BALLAD OF EASY STREET.

I'm a stranger in this town,
Trying hard to find my way.
I have wandered up and down,
Here and there the livelong day.
Asking still of whom I may
"Dragging still my weary feet.
Prithee do not say me nay!
Where, oh, where, is Easy street?"

I'm a yokel young and brown,
You're a burgher, old and gray.
I'm in rags. A purple gown,
Ermine edged, is your array.
Haste is in your step, but stay
While my question I repeat,
Answer now without delay,
Where, oh, where, is Easy street?"

Some have told me with a frown,
Muck and mire and sticky clay
Bar that highway of renown;
Mountains block it so, they say,
Still 'tis smiling bright and gay.
Velvet lawns and flowers sweet
Make therein a brave display;
Where, oh, where, is Easy street?"

L'ENVOI.

Sir, I've wandered far astray
Asking still of all I meet,
You who live there, tell me, pray,
Where, oh, where, is Easy street?"
—Kennett Harris.

It's surely hot enough without either whisky
or pipes.

It's almost hot enough to give baseball a
sunstroke.

anywhere near that. That means that if we cut the
prices of remnants in two we lose money on every yard

yours. Though that perhaps is not the reason why so
many take advantage of the offer. The real reason is
these short lengths and remnants are from our best line

DOWNFALL OF JEFFRIES.

RENO, NEV., July 4th.—John Arthur John-
son, a Texas Negro, the son of an American
slave, tonight is the first colored undisputed
heavy-weight champion of the world.

James J. Jeffries, winner of twenty-two
championship fights, the man who was never
brought to his knees by a blow, tonight passed
into history as a broken idol.

Jeffries met utter defeat at the hands of the
black champion. While Jeffries was not actu-
ally counted out, he was saved only from this
crowning humiliation by his friends, they
pleading with Johnson not to hit the fallen
man again, and the towel was brought into the
ring.

At the end of the fifteenth round Referee
Tex Rickard raised the black man's arm and
the crowd filed out, glum and silent.

Jeffries was dragged to his corner bleeding.
He had a black, closed eye, swollen features
and he held his head in his hands, dazed and
incoherent.

Johnson walked out of the ring without a

mark on his body except a slight cut on his
lip, which was the opening of a wound received
in training.

Ring experts agree it was not even a cham-
pionship fight.

ESCAPED BY A NARROW MARGIN

Yesterday afternoon Colonel E. T. Kirk
sidled his big red touring car alongside the C.
and O. track in Front street as a vantage point
to witness the aquatic sport. The car con-
tained beside the Colonel three gentlemen
friends, all of whom, in their intent watching
the speeding boats, were oblivious to the dan-
ger they incurred by their nearness to the rail-
way track. When the Fast Flyer passed East
the piston-rod of the big engine barely missed
the machine. Portions of window frames on
the passenger coaches were torn off, however,
in coming in contact with the top of the auto-
mobile. No one was hurt, but the big car was
precipitately vacated by its occupants. The
auto was not damaged to any extent.

Home Treatment for Tuberculosis

Less Expense Involved Than by Other and Less Effective Methods.

Hundreds of people have cured themselves of Tuberculosis by a very simple, inexpensive home method—fresh, air, careful diet and Eckman's Alternative.

This Alternative is not a new medicine. It has been conquering tuberculosis for nearly 15 years, many cures resulting after sanatoria had failed and pronounced the cases incurable.

Think what this means. No specialist's fees; no sanatorium charges; no travelling expenses; no expensive egg-and-milk gorging. Eckman's Alternative has cured many people right in their own home, where their dear ones encourage them and give them that tender home care which money cannot buy.

Sanatorium treatments build up the body, but do not destroy the disease germs, so that after the sanatorium treatment is discontinued (you falsely believing that you are cured) galloping consumption oftentimes develops.

Be honest with yourself. Have your physician examine you NOW. He'll probably recommend the usual fresh-air, egg-and-milk or sanatorium treatments. Perhaps he'll tell you your case is incurable. Then, after you have thoroughly investigated our affidavits and testimonials—feeling sure in your own mind that if Eckman's Alternative has cured so many others, if you have been faithful to Eckman's Alternative he will be amazed at your improvement, if not reporting an absolute cure.

Eckman's Alternative is good for all Throat and Lung troubles, and is on sale in Maysville by J. Jas. Wood & Son and other druggists. It can also be obtained at or procured by your local druggists. Ask for booklet of Cured Cases or write for Evidence to the Eckman Laboratory, Philadelphia, Pa.

COUNCIL PROCEEDINGS

At the regular monthly meeting of Council last night aside from the regular routine business, the following were important matters considered:

A resolution was read and adopted authorizing a vote to be taken at the next regular election in regard to a \$75,000 bond issue for the purpose of building a city electric light plant, and the securing of natural gas.

The Chairman of Internal Improvement was instructed to proceed with the work of removing the trees and putting down the pavement in front of Lieutenant Governor Cox's residence regardless of the injunction.

The old shed on the Collins property fronting Second street, Fifth Ward, was declared a nuisance and ordered razed to the ground.

Chairman Clooney of the Internal Improvement Committee was ordered to proceed at once in putting down a sewer in West Second street from Rosemary Alley to Lower street.

Complaint having been made as to the unsafe condition of the rear part of the Newell building in East Third street, occupied by James Suit & Co., as a livery stable, the matter was placed in the hands of the Fire Committee to investigate and report back to Council.

On motion of Member Frank Dieterich, Chairman Clooney of the Internal Improvement Committee was instructed to cut all the weeds in the city.

Council adjourned over till tomorrow night.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, a remedy something practical and sensible, a remedy made and tried for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hanger, of Maysville, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address on a postal card to obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for brief time, it will cure. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folk generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowel troubles, free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For further request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

THE REAL TEST

Of Herpicide Is in Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vigors may look nice and smell nice, but the point is—do they eradicate dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.
